QUARANTINE

**Declaration**

I, s.22(1)(a)(ii), s.47F(1) (BLOCK LETTERS) being the authorised management representative of s.22(1)(a)(ii) (isolation premises) declare that the animals described above have been held in isolation in the approved premises for 10 days from 3-4/6/10 (insert date of commencement of isolation) in accordance with internationally recognised quarantine conditions, and as specified by TURKEY (country of destination) for the pre-export preparation of FEEDER CATTLE (type and species of stock).

During the period of isolation, no animals other than those described above were permitted to enter the isolation facility. No lame, blind, injured, sick or substituted animals will be loaded on road transports to ship or holding facility.

The cattle did not come into contact with other cloven-hoofed animals not complying with the health requirements of Turkey.

To the best of my knowledge, no female animals held were pregnant. (Delete this line if does not apply)
